

PROFESSIONAL RESUME MUHAMMAD IRFAN BIN AZMAN KLSB_909

NAME : MUHAMMAD IRFAN BIN AZMAN

POSITION :

DATE OF BIRTH :

NATIONALITY : MALAYSIAN

MARITAL STATUS :

CONTACT ADDRESS : Jalan Sungai Besi, Kuala Lumpur Reference SAIFUL EDZUAN DEPUTY HOD PIPING
ENGINEERING RANHILL WORLEY 019-660 0776 SAIFUL.EDZUAN@WORLEY.COM RAJENDRAN RAMALETCHUMAN
SENIOR PIPING ENGINE ER MCDERMOT T MA

Tel: 017 -941 3702

EMAIL : irfanazman96@gmail.com

ACADEMIC/TECHNICAL QUALIFICATIONS:

2018-2020 Bachelor's Degree in Mechanical Engineering , Universiti Tun Hussein Onn, Malaysia

2014-2017 Diploma in Mechanical Engineering , Universiti Tun Hussein Onn, Malaysia

EXPERIENCE SUMMARY

Piping Engineer in the oil & gas sector with 4 years of experience (including 2 years in piping engineering), bringing practical expertise in piping design, 3D modelling , Pipe Stress and layout creation. Skilled in interpreting P&IDs; and isometric drawings, with knowledge of ASME B31.3 and related industry codes. Proficient in Smart 3D, Navisworks, and AutoCAD for developing and validating piping systems that meet project specification s. Experienced in leveraging Power BI daily for data analysis, dashboard creation, and performance monitoring to support project decision -making. Holds a BEng in Mechanical Engineering from UTHM, with a strong focus on safety, quality, and continuous professional growth in dynamic engineering environments.
